

Zonal Connect What's New

Version 1.12 | 3 March 2026

Pricing

Price Groups

The following updates have been made to Price Groups Pricing app in this release of Zonal Connect.

For more information view our individual help page topics.

Update

When selecting price bands administrators can now use the 'Select All' option to manage all price bands, only the first 15 selected can be edited within the grid, any additional bands selected will only be available for price updates through the Excel export
