

Zonal Connect What's New

Version 1.08 | 19 August 2025

Products

Sales Items

The following updates have been made to Sales Items in this release of Zonal Connect.

For more information view our individual help page topics.

General Updates

Update

Within the All Items or Sales Items lists an additional filter has been added which enables items that contain specific portions to be filtered and displayed

Product Admin

The following updates have been made to Product Admin in this release of Zonal Connect.

For more information view our individual help page topics.

Cost Prices

Update

With the grid, cost prices can be entered and managed directly, without the need to export or import data

Cost prices can now be imported for a specified future date, enabling more efficient advance planning for upcoming price changes

Cost prices now include a new filter, enabling admin teams to refine results by supplier
